RE : MARKETING BULLETIN 01-2005

To be distributed within Water Services and Eurochem Organizations.

Happy new year.

I hope that the turkey was tasty, kids were happy and less noisy, your wife was less complaining about your gift, and your support at house works. No comments about your mother-in-law.

I hope also that you have not spend all your money (like I did), and remain enough to survive till the next salary.

Yesterday, when I contacted our cashier for an advance payment she denied, and counter-proposed to me to work harder, and to be more effective in marketing during 2005, as not to have similar problems next year.

I don't know if she is right or not, but I think that it is not a bad idea to give a try.

We will do our best.

Regards

Anthony
